MORTAL KOMBAT

BEGINS AUGUST 18TH

Preview "MORTAL KOMBAT" on the Internet at: <http://www.mortalkombat.com/kombatbegins>

A dynamic comic book cover illustration featuring Spider-Man and Conan the Barbarian. Spider-Man, in his iconic red and blue suit, is shown in a defensive pose, being thrown or caught by Conan. Conan, with his long blonde hair and fierce expression, is wearing a dark, patterned tunic and a sword. The background is a dark, swirling mass of green and black, suggesting a chaotic or supernatural environment. The title 'SPIDER-MAN'S A SISSY' is written in large, bold, yellow letters with a black outline, slanted upwards. Below it, 'SO SAYS...' is in a smaller, similar font. The name 'CONAN' is written in very large, bold, yellow letters with a black outline, dominating the right side. At the bottom right, there is a quote from 'EMPIRE' magazine and the Marvel logo.

Hello young people I'm Mrs Stevenson
I'd just to help Beavis and Butt-head
answer some of their mail so my
little angel Stewart could
take his friends to a Cello
recital. Stewart just
loves the Cello and sharing
his musical appreciation with
others.

Chris Glenn Kidd

Dear Beavis and Butt-head,

I think your show rules
I am your biggest fan One
day ... when I put a "kick
me" sign on a boys' back.
When someone kicked him his
pants fell down He had a hurt
about a mile long He farted
and + blew me down That
little boy what's his name I
forgot it but got rid of him
He sucks alot.

Your biggest fan,
Chris Kidd

I don't know my buttsize
you two monkey spanks

Ps write back

Beavis and Butt-head do time
in St. Petersburg, Russia!

Oh! How "musing" I wonder when
I was young I put a "prick
me" sign on a girl's back. She
was stuck between her teeth and I was
too little to tell her she was "pricked".

What a beautiful dress my Ashley!
It's a matter of fact I would love to
hang it on my refrigerator!

You know I've never seen the "monkey" names.
and I don't even know their last names!
I'll have to invite them to the park to let me know!

Dear Beavis: Butt-Monkey,

You guys rule! I love your show and comic. I have a question, though. Who'd he deal with Stewart? You two should kick his ass. Then maybe he'd stop hanging around and, like, thinking you guys are his friends and stuff.

I love it when you two dress up like Cool-mur and Whitehead. Beavis' glasses are really cool.

Cool talkin' to you,

Melina

Stethopoulos

Oshawa,

Ontario.

BUTT SIZE:
WHY DO YOU WANNA
KNOW?

Stops being silly, Melina. Now why would the boys want Stewart to stop being their friend?

DEAR BEAVIS ^{AND} BUT-HEAD,

You guys are the Best ass-fucking Dudes. If you guys were any cooler than you are, you would be doing it with chicks all the time.

I think you should take Stewart, rub crap on his face and make him walk around the city all day.

Then you should run over him with your bikes and send him ~~not~~ home.

You should get Stewart's mom and Daria to ~~and~~ mud wrestle (nude).

I think you should cut Stewart's dad's thing (if he has one) and feed it to

a bunch of pissed-off turkeys.

Your ass-flicking servant, Jonathan Ammerath

Oh dear! No... I think I'll just move on to the next letter...

5-1-96

Cebal Baby,

Am I like, going score or something. You're like, really hot. Yes, chicks rule. Could you like wear a low-cut shirt next month. Hh-hh-hh. Far out, your pants are like, short. Hh-hh-hh. I said short, as in Tiny. Genie Will you like, touch my butt. Ah! Oh! You were great! How about one more quickie. OK! I'm done.

P.S. Please Kick

A good, healthy stool is one of the most important things in life! Congrats, Dennis. You must be getting plenty of natural fiber in your diet. I keep trying to impress upon Stewart the importance of healthy stools, but judging from his underwear...

MARVEL ON SALE THE FIRST WEEK OF AUGUST 1995 STILL ON SALE

UNIVERSE MARK'S REMARKS

As I noted in this space last week, it is particularly challenging being the editor in chief of long-running titles you wish to goose in sales like **THE AVENGERS**. You need to do something attention-getting to get those readers who have been passing it up to take a peek, but you also need to respect your contented core of regular readers who don't want you to do away with elements that kept them reading month after month. You do something too timid and no new readers catch on. You do something too radical and the old readers desert in droves.

Well, the creative crew in the **AVENGERS** and **FORCE WORKS** family of titles have brainstormed and come up with what for me is the most exciting direction the entire line has embarked upon in recent memory. We started by questioning every element of the status quo with the intent of shaking things up. We continued by imagining how far we could go without violating the essences of our characters. We ended up incorporating long-neglected characters, relationships, and subplots whose reappearance should have long-time readers doing cartwheels.

The result begins in the special **AVENGERS: THE CROSSING** edition, now on sale, and continues in **IRON MAN**, **AVENGERS**, **FORCE WORKS**, **WAR MACHINE**, **CAPTAIN AMERICA** and **THOR**. No, it's not another 89-partner with events creeping at a snail's pace. You can still read any of the books individually and still get a good idea of what's going on. But if you read them all, you'll find the tapestry to this section of the comics universe is getting a whole lot more colorful.

— Mark Gruenwald

SILVER SURFER #108

It's a space battle royal, with no holds barred! Will Galactus rip the wires out of Tyrant's mouth? Will the Surfer tear off the Doom-bot's head? Writer Mike Lackey describes this issue as "body-part-ripping excitement," so that should provide a clue! Assisting in this mauling mayhem are artists Tom Grindberg and Bill Anderson!

FANTASTIC FOUR #404

You've got another Thing coming to you this month — only it's not Ben Grimm — it's Sue! One Thing leads to another this ish, as the FF discover a machine which can change the Thing back to

human form — permanently! They also encounter a race of Things, who transform Sue into one of their own! Editor Neil Yomtov revealed a few of his favorite things about this issue: "Namor does battle against Sue, who has been mutated into a Thing-like creature! Also, we set into motion a big event that people have been waiting for!" All of these Things and more are brought to you by Tom DeFalco, Paul Ryan, and Danny Bulanadi!

IRON MAN #320

Attention, Iron Fans! Big things are happening in this book, and they start right here! We have some shocking plans for this book — plans which will tie in very closely with the **AVENGERS** titles for the next few months! This issue kicks off with a mysterious woman escaping from a mental asylum — a woman from Tony Stark's past who will have a dangerous effect on his future! You also get to see Iron Man demolish a building, in what new writer Terry Kavanagh calls "a dramatic demonstration of his powers!" New artist Adriana Melo will knock your Iron socks off!
